Faith in Action Opportunity for STCA Families...

The **American Indian Prevention Coalition** has presented an opportunity for the STCA families to assist them as they train, encourage, and strengthen family units to spend time together in healthy ways at no or low cost. They work with families from homeless shelters, low income housing developments and at-risk youth.

Would you be willing to donate “**gently used or new**”...

Notes from Teachers:

Mr. Barnes: Bible memorization is critical in the life of the believer. Please pray for us as we study and that God's Word would become alive for our students.

Mrs. Burd: Debate in August focused on “*single-sex schools vs. co-ed schools*”. September's topic will be “*Should school end the practice of giving awards?*” The debate will be held on Friday, October 7th.

Science class presented their first project on “*Science & Evolution*”. Come by and see the displays.

- ◆ Pat and Liz Cunha for the beautiful plants that were donated and planted.
- ◆ Steve Redinour for installing the sink in the Science room and hanging the pamphlet holder.
