"Whatever you do, work at it with all your heart, as working to the Lord, not for men"
February 2012

From my heart to yours.....

February is a month where each one of us looks for that special "something" to express our love to those we hold dear. I find myself reflecting on John 3:16 stating the greatest love gift I have and will ever receive..."For God so **loved** the world that He **gave His only Son...**" What a gift! As a result, God has called us to "**Love one another deeply, from the heart.**" 1 Peter 1:22 Being in a place where we hold each other accountable to that standard is a blessing! Thank you for how I witness His love being demonstrated through the staff, students and parents every day on this campus...we are blessed!

Thank to all who have registered for the 2012-2013 school year. We are very excited about the students joining STCA in the fall. We are planning another "Preview Night" on Tuesday, March 6th from 7:00-8:00pm... encourage anyone that is looking for a Christian middle school to come to the Preview Night, call for a tour or schedule a "shadow day". Thank you for praying with us that God would bring more students to our growing school community. Please take every opportunity to spread the "good news".

Chandler Christian School is hosting the ACSI Geography Bee on Friday, February 17th on their campus. Kyle LaVergne and Zach Cunha were selected to represent San Tan Christian Academy at the Geography Bee. Eighty-five students from eight Christian schools are registered to attend. Please pray that this will be a day that all the students will grow in their knowledge of the world God has created.

Thankful for a God-loving community,

Ruth M. Zappe

From the Board Room:

We are so excited to see so many students registered for STCA for the 2012-2013 school year. So far we have nine students registered for Eighth grade and thirteen for Sixth grade. Please pray for more students and for a Seventh grade class.

Mrs. Carol Dykstra began her chemotherapy this week. Please continue to pray for minimal side effects from the drugs and for the treatment to rid her body of the cancer.

God truly has provided for STCA through others generosity. Our end of the year giving totaled \$15,500.00. Praise God and thank you to all those who gave.

Planning has begun for this year's Golf Tournament. We will be sending out the donation letter for raffle items this week. We need everyone's help in order to make this a successful event. Also please start recruiting golfers. We will have the registration forms available next week. We are in the process of finalizing a few details regarding the tournament. The funds raised for this event are primarily used for curriculum and operating costs for the 2012-2013 school year.
